Carter's
1946 SUNSET FARMS SHORTHORN SALE

THE FINEST IN DOMESTIC AND
IMPORTED FOUNDATION STOCK

Sunset Farms Present . . .

6 CHOICE BULLS—45 SELECT FEMALES

In Their

1946 Auction Sale of

SHORTHORNS

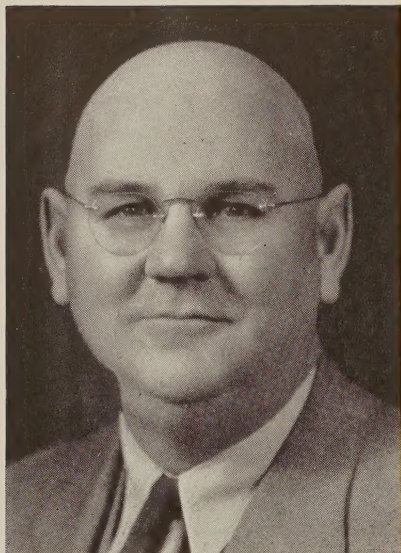

Saturday, November 16th

At the Farm, Eldorado, Ill.

Sale Manager: Hal Longley, 16 Locust Street, Aurora, Illinois

THE CATTLE OF THE FUTURE

*You Are
Cordially
Invited*

WE EXTEND a cordial invitation and a hearty welcome to every lover of top-ranking Shorthorns, to be our guest at CARTER'S on Saturday, November 16, 1946.

While this is only our second sale at the farm of Otis A. Carter & Son, consisting of all our own cattle, the confidence of the

buying public in all previous consignment sales has made us more determined to present in this offering the best lot of cattle that has ever been assembled for auction.

We are confident that this offering is our BEST . . . both in bulls and females.

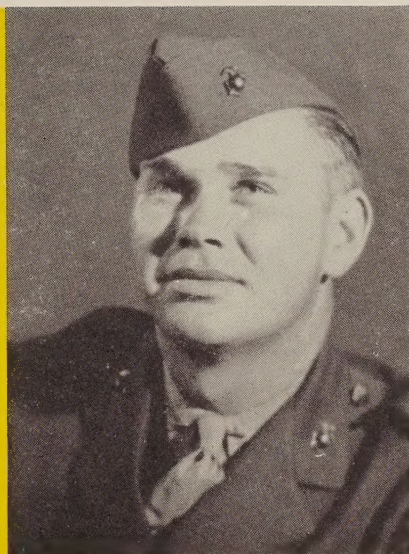

While we have only six head of bulls in the sale, yet they are as good as any we have offered in the Congress sales.

The worth of three great imported sires of CHAMPIONS will be apparent in this offering.

There can be no doubt that the cattle in this sale will make a lasting contribution to Shorthorn advancement. They represent a culmination of our best efforts to that end, over a span of 13 years. We present them with confidence that their buyers will be our friends and boosters for SUNSET FARMS in years to come!

Otis A. Carter

Sunset Shorthorns Developed By Sound Planning

A LITTLE over 30 years ago I started in the chicken business with a rooster and six hens. Even then, I was convinced that quality stock would pay out best in the long run, so those chickens were just about as good as I could find. From that beginning has grown a hatchery business of sizable proportions,

based as always, on the best stock it was possible to produce or buy.

When my son, Stanley, was old enough to take an interest in the firm's progress, he became more interested in cattle than in chickens. So it was that Stan and I decided to breed Shorthorns. We chose Shorthorns because we believed the Reds, Whites and Roans had more to offer the practical farmer than any other breed. And, of course, we started with absolute tops in breeding stock, steadily improving until today the Sunset herd, we believe, can be considered a leading one in the breed.

Many of you will remember Stan when he was on the show circuit with our cattle. He is now back home after serving with the Marines for four years, two of them in the South Pacific. He was married November 9, 1942, to Jewel Baker of Eldorado.

Sale Information

TIME — This sale will be held on Saturday, Nov. 16, 1946, starting promptly at 12:30 p.m. Lunch will be served on the farm by the ladies of one of the local churches.

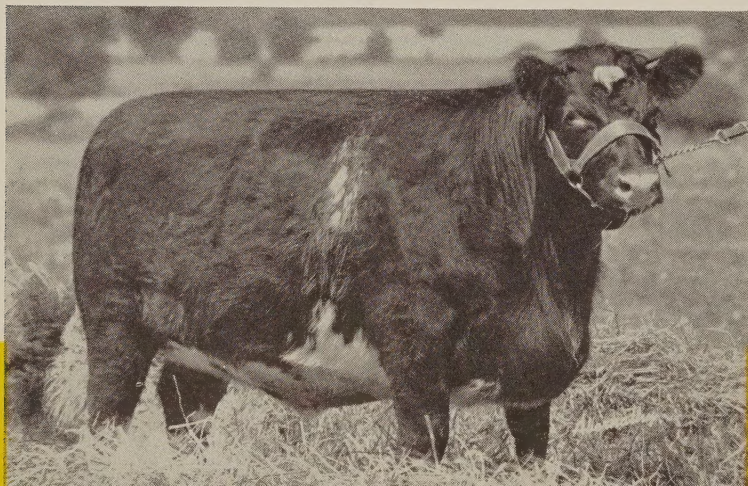

LOCATION — The sale will be held on the Carter farm at the northwest edge of Eldorado, just a half mile north of the town water tower. Eldorado, in Saline county, Illinois, is located at the junction of paved highways 45 and 142. It is seven miles northeast of Harrisburg, Illinois,

which is located at the junction of paved highways 34, 45 and 13. These routes are convenient to all who drive from points in the central states. Those coming from Kentucky and southern states can cross the Ohio River by ferry at Shawneetown, Illinois.

RAILROADS — Folks coming from the north and east by train can get accommodations to Eldorado on the Big Four. Folks from the south and west can get accommodations to McLeansboro, Illinois, on the L. & N. Trains will be met provided Mr. Carter is notified in advance. Advance notice is also requested from those desiring overnight accommodations in Eldorado.

For those who find Evansville, Indiana, easier to reach the evening before or morning of the sale, reservations can be made for the Hotel McCurdy by getting in touch with Wendell Marsh, Keller-Crescent Co., Evansville 8, Indiana. Transportation from Evansville to Eldorado will be provided.

AUCTIONEERS — J. E. Halsey, Des Moines, Iowa; Hamilton James, Newton, Illinois, and Elmo Gholson, Eldorado, Illinois.

Bred and raised at Sunset Farms, Rosewood of Sunset 4th (left) was reserve champion at the 1946 Ohio State Fair, where Sunset Shorthorns also won seven first prizes.

Shorthorns like these members of the Sunset herd turn grass into beef in a hurry.

MAIL BIDS — Those unable to be present and who desire to take advantage of the buying opportunities in this sale, may do so by sending buying orders to Hal Longley of "The Shorthorn World," Clinton K. Tomson of the American Shorthorn Breeders' Association, or to any of the auctioneers. Mail or wires may be addressed to these men in care of Otis A. Carter, Eldorado, Illinois.

HEALTH — This herd is Federally Accredited for Tuberculosis. We believe in calfhood vaccination for Bang's Disease and most all cattle in this sale have been so vaccinated. All have passed clean tests for Bang's within 30 days of the sale and health certificates will be furnished sale day.

GUARANTEE — All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

TERMS — The terms of this sale are cash.

LIABILITY — The above terms and guarantee constitute a contract between Otis A. Carter & Son and the buyer of each lot. Neither the sale manager nor the clerk of the sale assume any liability whatever. Although every precaution will be exercised to provide for the comfort and safety of our guests, we will not be responsible for accidents that may occur.

The Mathers-Metz-Miller Sale will be held Nov. 15 (the day before our sale) at the Metz Farm, Williams-ville, Illinois, a few miles north of Springfield. Plan to take advantage of these two grand buying opportunities.

Cattle That Will Make Friends for the Carters

A study of the illustrations in this catalog will convince anyone that Otis A. Carter & Son have provided cattle for this sale that are modern in type, unusual in thickness and ideal in color. A study of the pedigrees will provide proof that the quality of these cattle is inherent and that they may be expected to reproduce unfaithfully.

Most of you who will receive this catalog are well acquainted with Otis Carter, and it is not necessary to tell you that he is one of the most capable and successful cattlemen in the country. His herd has reached prominence through the mating of top females with the best stock bulls that money could buy . . . a carefully planned program that has resulted in top prize-winning calves.

This auction sale is to be held just at a time when the Carter & Son herd has reached its peak of strength. The return from the war of Stanley Carter, junior member of the firm, has made it possible to expand to a point where the herd is now one of the largest in the country. During the past year, in company with Les Mathers, Otis Carter made a trip to Scotland where three outstanding herd bulls and twenty richly bred females were purchased. These cattle are now in the herd and many of the females in this sale will carry the service of the grand young imported bulls Cruggleton Bounce, Tolquhon Marshal and Burnton Chancellor.

First-prize pair of calves at Denver, 1943, sired by Brawith Boy of Sunset and including our former junior herd sire, Brawith Boy's Browndale, and the grand young heifer, Sunset of Augusta 2d. Brothers and sisters of like quality sell in this sale.

Each animal in this sale has been selected for his or her ability to work improvement. Each will be a top in the herd of the new owner. I like the type of cattle in this offering and I have great faith in the ability and integrity of the men who are selling them.

—Hal Longley of The Shorthorn World.

"Never Looked at Better Calves"

Hesy A. Beckstead, Preston, Idaho, writes:

"A year has passed since SUNSET GOLD arrived on my farm, and I am taking this opportunity to express my appreciation to you for breeding this great bull.

"SUNSET GOLD has done well for me . . . he is liked by all who see him . . . he has spent all summer in a pasture and has been used heavily, yet he has made good growth and looks fine. I have three red bull calves sired by him to date, from six weeks old down to five days old. These calves are as near alike as three peas in a pod! I have never looked at better calves!

"A man and his son, who live some hundred miles away, bought their fourth consecutive bull from me last week . . . the gentlemen say it looks as if they will want their next herd bull from here, also. "I expect about ten calves in January, sired by SUNSET GOLD.

"With kindest personal regards."

"Thickest Calves of the Breed"

Here's what Rae Reusser, Wellington, Kansas, thinks of Sunset Shorthorns:

"I have been wanting to write you a line for some time, but never got around to do it until now.

"BRAWITH BOY'S NUGGET is developing in great shape! We only have four calves by him so far: three heifers and one bull, six months old now . . . their colors are very good, and they are real "nuggets," short-legged, thick calves. If the four calves are a sample of what we can expect, BRAWITH BOY'S NUGGET, like his famous dad, will sire "the thickest calves of the breed."

"Our three best cows are due to calve in January . . . two of the cows are by PROUD MARKSMAN, and one by one of the best sons of PROUD MARKSMAN."

"Best in the West"

Edward Reid, Mulino, Oregon, says:

"The bull calf, BRAWITH BOY'S SCOTTIE, arrived in perfect condition . . . I might say he is a far better calf than I anticipated getting by mail . . . even though he cost me about \$670.00 by the time he arrived, he is a far better calf than the price paid, in fact, I firmly believe he is the best calf in the West today.

"You certainly should be complimented on the recommendation of this bull by mail, in not describing him too highly, and then on his arrival, having the party disappointed.

"I like to deal with a man like you, and if you do business with other people the same as you have with me, you will have no dissatisfied customers."

CRUGGLETON BOUNCE (Imported)

On this and the next few pages you will find general descriptions and pedigrees of our three great imported bulls. I don't believe I am exaggerating when I say these dark red young herd sires are the best three imported bulls ever to be assembled on one farm. Look them over sale day and see if you don't agree with me.

CRUGGLETON BOUNCE, shown here, was the second Reserve Champion at the great show and sale at Perth, Scotland, in 1946. He is sired by Cruggleton Aircraft, he by Cruggleton Perfect. Cruggleton Perfect calves averaged 1,680 guineas (\$7,140) at Perth in 1944. All females by him topped Aberdeen sales of 1943 and the Perth sale in 1944. He also sired Beaufort Backsight, that sold in the Argentine for \$48,000.

Bounce's dam, Rita Beauty, was by Cruggleton Willingdon by Cruggleton Captivator by Cruggleton Essander by Cruggleton Colonel. We consider Cruggleton Bounce as one of the best bulls to come over. He's about perfect in his make-up and breeding — very low down, thick, and with good top and bottom lines, full sprung ribs, splendid heart girth and a real set of shoulders.

There will be a dozen or more females bred to this bull for our sale November 16 — and these matings should produce some mighty fine calves.

Herd Sire: For Reference Only

SIRE,

Cruggleton Aircraft 382332

1st and 2d reserve champion calf at Perth in 1944; sold for 3000 guineas.

DAM,

Rita Beauty 251334

TOLQUHON MARSHAL is a dark red, deep, short, compact bull by Lawton Field Marshal by Collynie State Express by Aldie Conqueror. He is out of a Rosewood cow by Calrossie Broadhooks Bounty by Calrossie Control. This gives you a complete picture of his breeding, which I think is unequaled.

In the August issue of the Shorthorn World, Al Darlow reports, "The junior herd sire at Pittodrie, Saltoun Air Marshal by Lawton Field Marshal, is quite an outstanding bull and looks worthy to follow Upright in the herd."

In another paragraph, Al says, "The junior herd sire at the famous Bapton

TOLQUHON MARSHAL (Imported) 2352162

TOLQUHON MARSHAL 2352162

Farms is Butterfly Prince by Lawton Field Marshal."

So you see some of the best herds of Scotland are now using sons of the great Lawton Field Marshal. I figure that if men like the owners of Pittodrie and Bapton are buying sons of Lawton Field Marshal, a son of this bull wouldn't do any harm

in America.

There will be several females in this sale bred to him. All told there will be around 40 head bred to one of my imported herd sires—and I doubt if there will be a sale in the United States this year that will offer so much of the best in imported breeding.

BURNTON CHANCELLOR (Imported) 2352159

BURNTON CHANCELLOR is a dark red son of Bapton Commando by Bapton Upright by Bapton Air Pilot. His dark red dam is by Garvoek by Cluny Brave Command. Bapton Upright, grandsire of Chancellor, sired the Supreme Champion at

Perth this year. But in addition to his breeding, you'll like his good head, excellent conformation and masculine character.

Let me quote again from Al Darlow's report of his trip to Scotland: "I am sure we will recall that the chief herd sire at

Pittodrie is Bapton Upright by Bapton Air Pilot by Bapton Air Control by Calrossie Air Control. I am sure that not many bulls have excelled the record made by the get of Bapton Upright at this year's Perth Show. I call him one of the best bulls that I have seen."

I am proud to be the owner of Burnton Chancellor, Tolquhon Marshal and Crugleton Bounce. They will take the places of Brawith Boy of Sunset (now eight years old), Braedoon Aristocrat (to be included in this sale) and Brawith Boy's Browndale (now deceased).

BRAWITH BOY OF SUNSET 1919873

Herd Sire: For Reference Only

TATTOO NUMBER C-15

Brawith Count—Sire, Brawith Boy 1836058 by Collynie Democrat (243063), out of Schivas Bonnie Bud (116272). Dam, Morning Blossom 22d 1846145 by Cruggleton Bugler 1831196, out of Morning Blossom 17th =225348=.

Sultan Browndale—Sire, Glenburn Field Marshal 1709714 by Edellyn Favorite 1430250, out of Clipper Countess 2d 1215702. Dam, Rookwood Golden Chain 5th 1712052 by Golden Browndale 1498465, out of Golden Lady 13th 1307124.

Calrossie Lord Rothes—Sire, Royal Banker 1634157 by Naemoor Gaffer (192364), out of Goldie 18th (64410). Dam, Inverness Queen Rothes 3d 1634174 by Adbolton King Tulip 1634143, out of Inverness Queen Rothes 1634173.

BRAWITH BOY OF SUNSET, now eight years old, has proved to be one of the most consistent sires of thick, good-doing Shorthorns that I have ever seen. He and his get have won outstandingly wherever shown. An idea of his ability as a sire can be gained by studying the typical sons and daughters shown on page 19.

So much do I think of his daughters in my herd that from now on very few will be for sale. I expect great things from the blending of his blood with that of my three imported bulls. You can understand

why I think so when you consider his breeding as well as his acknowledged prepotency. Grandsire of Brawith Boy of Sunset was twice Scottish Highland Champion—the only bull with such a record ever brought to the United States. His other

grandsire was twice International Grand Champion, while his sire was a blue ribbon winner at the International.

The value of the heifers in this sale by Brawith Boy of Sunset cannot be overestimated.

COLLYNIE ROYAL BARRAGE—Sire, Rosehaugh Mandarin 1726754 by Cluny Mandarin (214630), out of Rosehaugh Clipper 12th (73552). Dam, Collynie Butterfly 6th (103413) by Collynie Silver Mine (197556), out of Blythesome 43d (38513).

ALDIE REYNOLDSTOWN—Sire, Aldie Premium (267919) by Calrossie Lord Chancellor (249381), out of Augusta Maid (110115). Dam, Aldie Gipsy Maid 2d (169756) by Calrossie Satisfaction (249387), out of Aldie Jemty (120594).

ALDIE ROYAL FAVOURITE—Sire, Calrossie Satisfaction (249387) by Collynie Royal Leader 1492017, out of Calrossie Flossy Phyllis (51855). Dam, Balcairn Princess Amelia (103197) by Calrossie Ramsden Monarch (188134), out of Edgcote Royal Dame V61-721.

BRAEDOON ARISTOCRAT is now being offered for sale and he is what I consider the bargain of the entire sale. He is by Collynie Royal Barrage (Imported) and from a good red cow by Aldie Reynoldstown (Imported). The grand dam, a Broadhook cow, was bred by F. MacGillivray and so was her sire.

You may wonder why I am selling this proven and tried sire—well, the only reason is this—I have several of his females that I am retaining in my herd and now that I have three of as good imported young bulls as were ever assembled on one farm, I have decided to let him go on into another herd to continue his serv-

ices. You will see at the sale and in the ring several of his females and two bulls to prove that he is a good breeder.

I am not so sure that this is the thing for me to do, but I have decided to let him go in order that he will have an opportunity to carry on elsewhere. To show you what other breeders think of Collynie Royal Barrage calves—in 1942 all the sons sold in Jimmy Russell's sale averaged \$2160.00 and the heifers averaged \$1516.50. Another son, Klaymor Footprint, was sold for \$8500.00 and his 10 calves that sold in the Marellbar sale in 1944 averaged \$1900.00 each, so you can now get a true picture of his value to you in your herd.

We Consider Him Braedoon's Best

BRAEDOON'S NEPTUNE is in my opinion the best son of Braedoon Aristocrat. I think enough of him that I have several cows and heifers bred to him. Some are included in this sale. But having three imported bulls in my herd now, I have decided to sell him. He is a sure breeder and you will have an opportunity to see a calf or two by him on sale day, as some of the heifers that go in the sale will have calves by that time. The dam of Braedoon's Neptune is by Roble Neptune by Roble Leader, the great sire that made such wonderful records on the West Coast back in '39-'40 and I am sure this rich colored, low-down bull will do the same for you.

Bull

BRAEDOON'S CHIEF 2319975

Red, calved September 3, 1945. Bred and owned by Otis A. Carter & Son, Eldorado, Ill.

BRAEDOON'S CHIEF is another son of Braedoon Aristocrat, he by Collynie Royal Barrage, the best imported bull to enter Canada in the past few years. The dam of Braedoon's Chief is by Sunset Bugler by Princeton Penrod, bred by the Duke of Windsor. I advise you to look over this bull as he might fit into your herd to outstanding advantage.

Bull

BRAWITH BOY'S STAR 2341267

Red, calved November 16, 1945. Bred and owned by Otis A. Carter & Son, Eldorado, Ill.

BRAWITH BOY'S STAR is a good, dark red calf by Brawith Boy of Sunset that will be one year old on sale day. He is a full brother to Brawith Boy's Scotchman that I sold to Loyd Saxe, Albion, Ill., for \$750.00. He is a half brother to Aconite of Sunset that sold to Allison Acres, Indianapolis, Ind., for \$825.00. So you see from this record that you wouldn't make a mistake in purchasing this young bull.

Bull

SUNSET RED DIAMOND 2352176

Red, calved March 2, 1946. Bred by John Finlayson, Cambus, Clackmannanshire, Scotland.
Calved property of Otis A. Carter & Son, Eldorado, Ill.

SUNSET RED DIAMOND was calved in quarantine and is the only bull imported in dam that will be offered in this sale. While he is quite young and not too highly fitted, yet, he appears to be very promising. His sire is Dacre First Command by Cluny Waverly Command by Calrossie Command. His dam is by Millhills Zambesi by Cluny Crown Diamond. One of the good pedigrees of the breed and a fine young calf to go with it. Take a good look at this calf on sale day. I believe you will like him.

ROSEWOOD OF SUNSET 6th is a dark even roan with plenty of quality, and style to let. If you want a good senior yearling to show in 1947 buy this one, or if you want a good brood matron for your herd she will do that also. She is low down, with rugged bone, neat head and neck, nice top and bottom line and is beautifully bred. She is by Brawith Boy of Sunset. There will be no more of his heifers offered after this sale. She sells open.

COME TO CARTER'S FOR HIGHEST QUALITY

AUGUSTA SUNSET 8th. There will be very few, if any more, of Brawwith Boy's heifers offered to anyone after this sale, because I want to keep all the rest in my herd. The old boy is getting rather old now and I can't expect too much from him from now on. So, you had better take this beautifully bred female home to help build your herd. She was bred Sept. 30 to Cruggleton Bounce. I personally believe a calf from this combination would be an asset anywhere.

Lovely Belle 12th 1463512
Red, Harold Bacon

SUNSET LOVELY BELLE 9th is dark roan from one of the best breeding females at Sunset Farms. She has quality from end to end. Being a daughter of Brawith Boy of Sunset, she couldn't be any other way. She will be right up to calving on sale day to the service of Braedoon's Neptune (also selling in this sale), a dark red son of Braedoon Aristocrat. This heifer was bred Feb. 28—and would you like to bet it wouldn't be a red calf? And remember this: you won't have a chance to buy any more of Brawith Boy's heifers after this sale.

COME TO CARTER'S FOR PROFITABLE SHORTHORNS

ROSEWOOD OF SUNSET 5th is a dark even roan from one of the best red cows on the farm. Her dam was also the dam of Brawith Boy's Browndale which proved to be an outstanding breeder. She is sired by Braedoon Aristocrat, he by Collynie Royal Barrage, the great breeding bull owned by Jim Russell of Canada. She was bred Aug. 17 to Cruggleton Bounce, the Second Reserve Champion at the great show and sale at Perth, Scotland, in February of this year. What a calf should result from this mating! This might prove to be the best buy of the entire sale, as her dam's sire was imported, her grand sire on the sire's side was imported, and she is bred to an imported bull. You just can't beat breeding like that.

ORANGE MAID OF SUNSET 8th is another good dark red daughter of Braedoon Aristocrat that we showed this year and she stood up well in her class, even though she was not as well fitted as some others. She is extremely smooth, with perfect head and level lines and will make, I am sure, a good breeding cow. I would like to reserve the rights to show her at the International and in retaining her that long will breed her to one of my three good imported bulls for you. I would have liked to have kept her in my breeding herd, but we can't keep them all so I was persuaded to put her in as an attraction. Don't pass her up — be sure to check her on your catalog. Her half sister on her dam's side sold to the University of Illinois in our last sale for \$500.00.

COME TO CARTER'S FOR HIGHEST QUALITY

SUNSET PEARL 4th. Another dark red daughter of Braedoon Aristocrat and a good one, too. Her half-sister by a son of Brawith Boy of Sunset won her class in the show at the International sale and sold for \$850.00. This heifer is equally as good or better than her sister was. Her dam, Greenview Pearl 4th, is one of my outstanding breeding cows. She was by Leveldale Sentry, the good breeding bull of L. E. Mathers. She was bred September 26 to Cruggleton Bounce. You will like this heifer and you will like this calf when it arrives.

She'll Look Good in Any Herd

SUNSET MYSIE 2d is a sweet little roan heifer that has just passed her first birthday and what a swell little heifer she is. I showed her full sister this year (who also sells in the sale), and she stood second in 'most all leading shows. If you want a nice show heifer for next year, buy her — sells open.

COME TO CARTER'S FOR PROFITABLE SHORTHORNS

SUNSET MYSIE is one of the shortest-legged heifers in the sale and being by Braedoon Aristocrat makes her one of the outstanding females offered. She was in our show herd this year and was always right up in the money everywhere shown. Now that we are back from the show circuit we have bred her to Cruggleton Bounce, Oct. 7. This mating should prove very profitable to her new owner.

ORANGE MAID OF SUNSET 9th is one of Braedoon Aristocrat's best calves. Yes, she is white but she is about as perfect as you will find. She was bred to Burnton Chancellor Sept. 20 and whoever gets her will get a bargain, for she is the kind that will carry on. There is no doubt in my mind that when this calf arrives you wouldn't take for it what the cow cost you.

COME TO CARTER'S FOR HIGHEST QUALITY

SUNSET HELEN 4th, another July heifer by Braedoon Aristocrat by Collynie Royal Barrage, is out of a dam by Hercules Field Marshal by Collynie Field Marshal. This is a beautifully bred heifer and is a half-sister to Sunset Helen 2d that went to Merryvale Farms in 1943 for \$875.00. She was bred Aug. 29 to Cruggleton Bounce. I hardly know how to describe this heifer, as you might feel that I am sticking my neck out—but she is the best summer yearling that I have seen in a long time. In fact, I never saw a better one on the entire show circuit this year. I would personally like to show her at the International this December.

COME TO CARTER'S FOR CORRECT CONFORMATION

SUNSET DUCHESS 5th, another red daughter of Braedoon Aristocrat, is indeed the herd-improving kind. She is from one of my dependable red Duchess families that have been consistent breeders and I am sure this one will carry on for you. Bred Sept. 10 to Cruggleton Bounce, the bull that stood next to the Reserve Champion at the Great show and sale at Perth Scotland and brought 2100 guineas (\$8,925.00).

Her Family Is One of My Best

SUNSET CONSTANCE 12th, by Braedoon Aristocrat, is a dark red heifer that I hate to part with, for she is just about as good as you will find in any sale ring. She has plenty of depth and width, a very attractive head and straight top and bottom lines. She was bred Sept. 20 to Cruggleton Bounce. What a calf you can expect! This breeding and individuality will work certain improvement in 'most any herd.

COME TO CARTER'S FOR HIGHEST QUALITY

SUNSET CONSTANCE 11th — a dark red daughter of Brawith Boy's Browndale, son of Brawith Boy of Sunset. Her dam, Sunset Constance 7th, is very deep and a wonderful breeding cow, out of Fair Constance A from Bellows Bros., that proved to be one of the best if not the best brood cow that was on my farm at that time. Sunset Constance 11th was bred Sept. 29 to Cruggleton Bounce by Cruggleton Aircraft, one of the outstanding breeding bulls in the Argentine today.

SUNSET SECRET STAR 2d 2298298

Red, calved July 8, 1945. Bred and owned by Otis A. Carter & Son, Eldorado, Ill.

SUNSET SECRET STAR 2d is a dark red heifer that stands well on four short straight legs, has a good head and tail setting and is well fleshed. Sired by Braedoon Aristocrat by Collynie Royal Barrage. Bred Aug. 14 to Crugleton Bounce. Bounce is the lowest-down, best headed calf I ever saw. He is well covered and extremely deep with a wonderful flank. He has four good straight legs and is a good-doer. You should buy this heifer as a sure-fire money-making investment. A full brother to Sunset Secret Star 2d, Braedoon's Star, sold at the International in 1943 for \$1,000.00.

COME TO CARTER'S FOR HIGHEST QUALITY

CONSTANCE ANN, a good dark red daughter of Brawith Boy's Browndale, is an individual that any critic would like. She, like all other sons and daughters of Brawith Boy of Sunset, has plenty of character, is smooth as an apple, extremely low down with plenty of bone, a breedy head, short neck, neat tail setting — in fact, she is a real topnotcher from any standpoint. Bred Aug. 22 to Cruggleton Bounce, Second Reserve Champion at Perth in February of this year. When you see the bull you will want a calf by him.

UNDINE JANE, a red daughter of O A C Command 2d by O A C Command, he by Campbell's Command. She is a very breedy looking heifer with plenty of bone, a good head and is very smooth. She was bred Feb. 22 to Braedoon's Neptune and should calve shortly after sale day. I believe she will be a good buy for anyone.

COME TO CARTER'S FOR PROFITABLE SHORTHORNS

BROADHOOKS LASS. This red heifer from A O C Command 2d, a bull being used by the Ontario Agricultural College, will calve before sale day, being bred to Braedoon's Neptune Jan. 8. This is one calf we are anxiously waiting for, as I believe Neptune will prove to be a great breeder. Look her and her baby over on sale day.

COME TO CARTER'S FOR HIGHEST QUALITY

SANKAW VICTORIA. Here we go, six in a row. This is one of six heifers that I bought from Dr. Wayne S. Williamson of Sullivan, Ill. These six heifers are as good as I have seen in a long time. They are all by Klaymore Gaffer, the top selling bull in one of Jimmie Russell's sales. Klaymore Gaffer is a son of Collynie Royal Barrage and his dam is Calrossie Joan Ramsden by Calrossie Control which gives you a pedigree that is absolute tops. She was bred Oct. 4 to Burnton Chancellor. Also don't overlook the breeding of this heifer on the dam's side. She is by Leveldale Courageous by Dreadnaught Invader. Now isn't a pedigree like this worth something?

COME TO CARTER'S FOR CORRECT CONFORMATION

SANKAW QUEEN BESS, a dark red beauty, is another daughter of Klaymor Gaffer, all just like peas in a pod. The only way you can tell them apart is by color or tattoo number. All six of them are bred to one of my imported bulls. This one was bred Sept. 26 to Burnton Chancellor by Bapton Commando. If any one breeder buys them all he certainly will make a name for himself. They have bone to spare. All have good heads and all are as smooth as apples. You won't go wrong in taking one or more home with you.

A Dark Red Beauty of Great Promise

COME TO CARTER'S FOR CORRECT CONFORMATION

ROSEWOOD VICTORY DAY was born on a day that we Americans should never forget, a day for which sons, our neighbors' sons and our friends' sons looked for four long years. There's another day that the person who buys this dark red heifer will be looking for and that's the day she has her first calf by Burnton Chancellor by Bapton Commando. She was bred to him on Oct. 2. On the day the calf arrives the new owner will have plenty of reason to be proud.

An Auspicious Start and a Promising Future

CLARA 32d 2314651 =339227=

Red, calved July 7, 1944. Bred by W. A. Dryden & Son, Brooklin, Ont., Can.
Owned by Otis A. Carter & Son, Eldorado, Ill.

CLARA 32d, by Collynie Remembrance, was bred Apr. 22 to Burnton Victory (imported) by Calrossie Victorious. This is another great young red imported bull I purchased last November from Alex Anderson while I was in Scotland. Victory is now in service at the J. Everett Brown Farms, Blue Mound, Ill. He is very low down, with a burly head, good tail setting and near perfect top and bottom lines. He has as many Champions in his ancestry as any bull ever brought to America. Buy this heifer and get the first calf from Burnton Victory.

COME TO CARTER'S FOR HIGHEST QUALITY

GOLDIE LASS. This red heifer was bred Aug. 18 to Cruggleton Bounce, Second Reserve Champion at Perth by defeating 395 of the best young bulls in Scotland. Bounce is by Cruggleton Aircraft by Cruggleton Perfect by Cruggleton Sovereign. His dam is from a Beauty Family. Goldie Lass herself is by an imported bull, Collynie Remembrance, so you can expect quite a calf from her. Her pedigree includes the best bulls in Scotland.

I Expect Great Things From This Mating

COME TO CARTER'S FOR CORRECT CONFORMATION

AUGUSTA QUEENIE, a really grand heifer, is good enough to go into even the best herds and work improvement. She is by Cumberland by Collynie Royal Purse (imported) by Rosehaugh Mandarin. If you don't like this heifer when you see her, I'll be badly fooled. She was bred to Cruggleton Bounce on Sept. 3, and with this mating you can't fail to get a good calf.

COME TO CARTER'S FOR PROFITABLE SHORTHORNS

ELIZA MARIA is a very good dark roan heifer bred by A. J. Marshal. Sired by Calrossie Broadhooks Bounty by Calrossie Control, she was bred to Burnton Chancellor Sept. 26. Her dam is also by Calrossie Broadhooks Bounty by Calrossie Control. Burnton Chancellor by Bapton Commando is one of the best young imported bulls in the country. The unsurpassed breeding of the splendid animals behind both this heifer and the calf she is carrying provides a unique opportunity for herd improvement.

What a Combination of Breeding and Quality

COME TO CARTER'S FOR LEADING BLOODLINES

DRYNIE BRAWITH 40th is a choice dark roan imported heifer, sired by Saltoun Jolly Tar by Cruggleton Perfect and out of a cow by Bearfort Farewell Diamond (bred by Lord Lovat) by Royal Banker. She was bred Sept. 26 to Cruggleton Bounce, Second Reserve Champion at Perth last February, and what a calf it should be! I really hate to part with this heifer, for I don't believe I can replace her at any cost.

I Put Her in Strictly as an Attraction

LAVENDER OF ELMWOOD 9th 2140843

Roan, calved January 29, 1942. Bred by Maple Lane Farms, Elmwood, Ill.
Owned by Otis A. Carter & Son, Eldorado, Ill.

LAVENDER OF ELMWOOD 9th is a good young roan cow in moderate flesh selling with a beautiful white bull calf at side born Sept. 1 and sired by Brawith Boy's Referee, a son of Brawith Boy of Sunset. Note the Dreadnaught bulls at the top of this pedigree. Here is a good pair to buy and I am sure you will be able to buy them with full confidence.

COME TO CARTER'S FOR LEADING BLOODLINES

The Result of Careful Breeding . . .

These calves comprised Sunset Farms' undefeated get of sire group in 1942. Individuals of the same families and the same prize-winning caliber sell in this sale. It takes careful breeding from the breed's best to produce calves like these. They are the outcome of painstaking planning—the mating of choice bulls of the most prepotent blood to high quality females. The calves you buy in this sale, I feel sure, will make outstanding records for you, because they come from sires and dams that have made outstanding records, as well as sound profits, for me.

CARTER'S — Also the Home of *Champion Chicks*

HAVE always prided myself on being a practical all-around farmer. I was born and reared on a farm and have been connected with farming one way or another almost all my life.

I have always believed in good livestock of all kinds. My belief that "quality pays" has been borne out over more than 30 years in the poultry and hatchery business. Now that conviction is proving itself again in the Sunset herd of Shorthorns.

At Carter's Chickery I sell several million chicks annually under the name, "Champions." And I've tried mighty hard over the years to make those chicks truly the "Champion" kind. The fact that so many repeat customers buy those several million chicks every year seems to indicate that I am making progress in my efforts.

First of all, I see that my breeding flocks of 60,000 highest quality birds are kept at the peak of laying productivity. They are constantly blood-tested to insure health. Also, my hatchery is one of the few anywhere that is completely air conditioned and equipped with special ultraviolet lamps, thus assuring huskier, faster-growing, disease-resistant chicks. Furthermore, the hatching eggs are removed from the incubators on the 18th day and hatched in separate, disinfected machines to make sure the bred-in

qualities of Carter's Champions are safeguarded in every possible way.

At the present time my varieties include White and Brown Leghorns, Barred, White and Buff Rocks, Rhode Island Reds, White Wyandottes and Black Australorps.

Here reproduced is a painting of a typical pair of my foundation White Leghorns. The painting was made especially for me by a noted poultry judge and artist.

BLYTHESOME 62nd 1876794 and her Dark Roan Bull Calf from BRAEDOON ARISTOCRAT is being put in as a substitute for Lot No. 42. Lot No. 42, ANNETTA 52nd, died and left a beautiful Dark Red Bull Calf, born October 31, 1946. Sired by BROWNDALÉ SENSATION, a son of BRAWITH'S BOY BROWNDALÉ, this calf goes in also with BLYTHESOME 62nd, making two good calves with this cow and she is perfectly able to mother both of them. She has had nine calves, eight of them were sold for a total of \$2400.00. Marion Mackey bought her heifer calf in our sale in March last year for \$750.00. Charles Meacham bought her first bull calf in 1938 for \$400.00. So, you see she is a good breeder. And two calves by her side this time will make her all the more valuable.
